Giving Opportunities

Ever unexpectedly stumbled upon unknown or unexpected information about your ancestors and their ways of life?

With your mouth hanging open, you may have looked heavenward breathing a sigh of gratitude for the miracle of such a discovery! Although you may not have thought of it at the time, some dedicated genealogist or record keeper from the past was responsible in some way for the information that has just thrilled you. How can any of us ever pay back such a gift?

Unfortunately, paying back is rarely an option, but *paying it forward* to genealogists yet to come is possible through our own gifts. TCGHS makes the following opportunities available to our members and supporters to help fund our continuing work:

General Fund

These donations are given for the general use ("wherever needed") of the society. The society will determine where the funds are most needed. \$ _____

Book Acquisitions Fund

These donations are used to buy books and other resource acquisitions for the library. The donor can request specific book titles or subject areas where the funds are to be used. Otherwise, selections will be made by the book acquisitions committee. \$ _____

Building Fund

These donations are used for the continued maintenance needs of the library – usually reserved for large dollar items such as paving the parking lot or replacing furnace. \$ _____

Computer Fund

These donations are used for computer hardware and software as well as other technological related items. \$ _____

Reader/Printer Fund

These donations are used for maintenance & upgrades of the microfilm reader/printer hardware & software. \$ _____

Memorials

These donations are given in the name of a loved one. All memorial donations are used for the purchase of additional books or microfilm. If the loved one is recently deceased, family members are consulted about what subjects they think the deceased would like to have the funds invested. Bookplates in the loved one's name are added inside books bought by memorial fund donations.

In the Name of _____ \$ _____
